

## Avon Township Snow Removal Policy Notice

1. Snow will be plowed as soon as possible. The Town will make its best judgment when to send out plows in order to maintain safe driving conditions.
2. Plows will alternate routes.
3. Sand and salt will be applied on icy roads as necessary in order to maintain safe driving conditions.
4. Township is not liable for damage caused by the plow to fences, sprinkler heads, landscaping, or other structures that are in the road right-of-way.
5. Snow from private roads may not be dumped on township right-of-ways. Residents will be held liable for all damages and injuries incurred by snow piles pushed on road edges.

Residents should call one of the Supervisors with concerns about snow plowing.
