Re: Terry & Patricia Oehrlein Variance

At the 27 January, 2010 meeting of the Avon Township Planning Board, the variance application (File 10-1) submitted by Terry W. Oehrlein & Patricia A. Oehrlein was discussed. The Avon Township Planning Board takes no exception to granting this variance.

The Avon Township Supervisor's were unable to review the variance application because of the timing of the receipt of the variance notice and their regular meeting schedule. If necessary, the Supervisors could review the application at their next meeting on Wednesday, February 3, 2010. Please contact me if you want this to be included on their agenda.
