AVON TOWNSHIP:

TOWNSHIP SUPERVISOR

- Mike Linn

CONTRACTOR:

KNIFE RIVER CORPORATION

Safety- Please remember to stay a safe distance away from the construction equipment as the roadwork is completed. Although you may be able to see the construction workers, they may not be able to always see you, and we want to make sure that everyone stays safe, including the children in the neighborhood and any other pedestrians that may be near the work site.

If you need to speak with a worker, please use the phone numbers above or wave someone over, while keeping a safe distance away.

2020 STREET IMPROVEMENTS TOWER ROAD, SHOREWOOD DRIVE, ORCHID COURT & HIGHLAND TERRACE

Project Overview

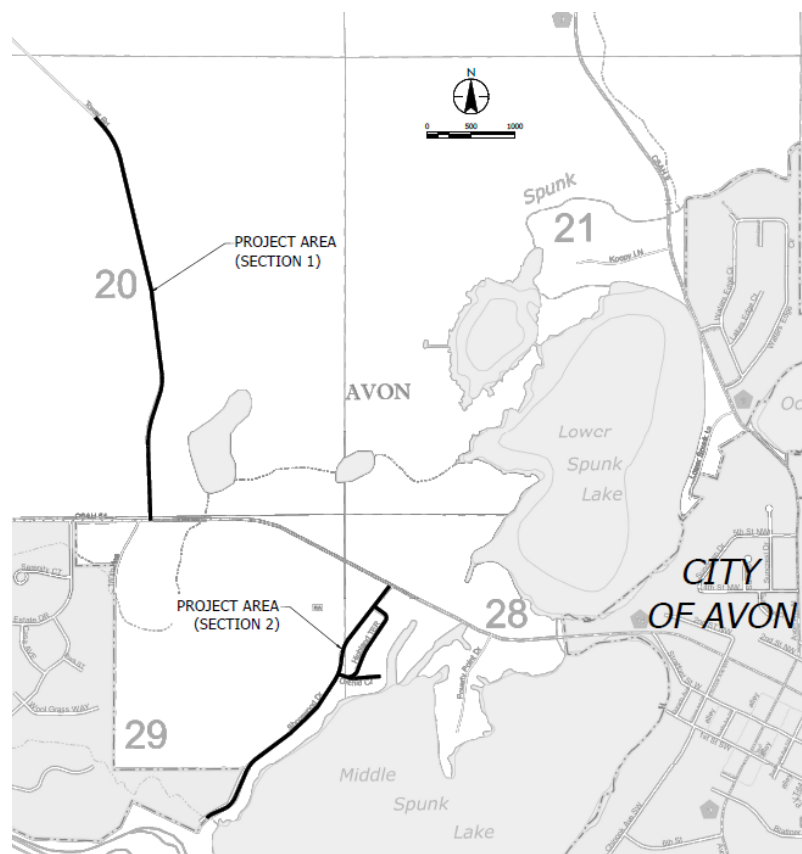

Avon Township will be making improvements to several roadways this summer, including Tower Road, Shorewood Drive, Orchid Court and Highland Terrace. The roadway work will include surface improvements to the existing bituminous surfacing.

The project Contractor, Knife River Corporation, is estimating that the work will take approximately two to three weeks to complete. Some minor traffic delays and short-term driveway access restrictions may occur.

The work will include bituminous reclaiming and re-paving along Tower Road. Along Shorewood Drive, Orchid Court, and Highland Terrace there will be some roadway edge milling with a bituminous overlay.

Project work may begin as early as June 25th and is expected to be completed on or around July 15th.

If you have any questions about the upcoming project please feel free to contact the Stantec team first. The contact information is provided on the left side of the page.
